

PUBLIC SAFETY PATHWAY

“THERE’S NO GREATER CHALLENGE AND THERE IS NO GREATER HONOR THAN TO BE IN PUBLIC SERVICE” - Condoleezza Rice

In this pathway, students are prepared with a broad-based foundational knowledge in careers that involve public safety. The educational foundation will assist students who wish to pursue related professional training at the postsecondary level. Students will gain experience through classroom instruction, hands-on training, and community exercises. The evolving integration of state public safety organizations, their connections with federal and state intelligence and security agencies, interoperability and coordination of effort, and the shared mission to protect the public in a post-9/11 world are areas of emphasis for the pathway. Plumas Charter School CTE Pathways are a 20-credit course sequence including; introduction, concentration, and capstone courses.
